NEWS

Your Office 365 Anywhere

Montreal, Qc | June 15th, 2016 – Office 365, a great way have your familiar tools such as Word, Excel, PowerPoint and Outlook available wherever you are and whenever you want. Store, share and even co-author with anyone, real-time. Files online through OneDrive are always synced and up-to-date, so are the applications.

Enjoy additional online services such as file storage and sharing, Office Online and Professional digital storytelling with the Office Suite. All Office 365 for business plans include:

- Reliability
- Security
- Privacy
- Administration
- Up-to-date
- Active Directory Integration
- Support

Interested in Office 365 products?
