Movember – Make it count!

Montreal, Qc | November 15, 2016 – The Groupe Access Movember campaign is in full swing! Discover our participants' journey by accessing our Movember webpage! Encourage your favorite participant by making a donation! We are approaching our target of \$1,000 and are confident that you will help us.

Groupe Access is also organizing a pot luck on November 25th, at our offices to raise funds. Pictures to come! To encourage us, please click here: <https://ca.movember.com/events/view/id/wDq3?act=created>

Movember is a campaign where there's fun just doing good, but it is also a very serious campaign. Funds raised have already helped progress in research on cancer of the prostate in 50 years during the past five years alone. Yet, much more needs to be done. The goal: by 2030, reduce by 25% the number of men who die prematurely.

We need your help. Help us reach our goal to Movember this year and your donations will help men live longer, happier and healthier. Make a [donation](#) to support men's health!
