Sainte-Justine c'est...

CHU Sainte-Justine is the largest mother and child centre in Canada and one of the four most important pediatric centres in North America. Our team of 5000 support staff and 500 doctors, dentists and pharmacists carry out their work in an environment that is both highly innovative and respectful of individuals. Here knowledge is generated and transferred on a daily basis and we place our patients and their families at the heart of our practice. Affiliated with the Université de Montréal, CHU Sainte-Justine is the largest pediatric teaching centre in Quebec and amongst the top in Canada. We educate more than 4000 students and interns every year.
